1. Purpose and Scope

1.1 These Terms and Conditions govern the XJTU Articulation Scholarship available to eligible students progressing to Aston University under the formally approved Articulation Agreement between Xi'an Jiaotong University (XJTU) and Aston University.

1.2 The Scholarship applies exclusively to students articulating under the agreed articulation structure and approved programme mapping for the defined intake.

1.3 The Scholarship is automatic, fixed-value, non-competitive, and applies only to the intake specified above.

1.4 No precedent is created for future academic years.

2. Definitions

For the purposes of these Terms and Conditions:

2.1 Articulation Agreement

The formally approved academic progression agreement between Xi'an Jiaotong University and Aston University governing the defined articulation structure, academic mapping, entry requirements, and progression framework.

2.2 Agreed Articulation Programmes

The Aston University programmes formally approved under the Articulation Agreement for the relevant intake cohort.

2.3 Articulating Student

A student who has successfully completed the required stage of study at Xi'an Jiaotong University and is progressing directly to Aston University in accordance with the Articulation Agreement.

2.4 Overseas

A student classified as Overseas for tuition fee purposes under Aston University's fee status assessment regulations.

2.5 Self-funded

A student whose tuition fees are not wholly or partially funded, sponsored, reimbursed, or otherwise supported by:

- An employer
- A government body
- A scholarship agency
- A commercial sponsor
- Any third-party organisation

Family financial support and personal bank loans are treated as self-funded.

2.6 Programme Deposit
The tuition fee deposit required to secure an offer of study, as specified in the applicant's offer letter.

2.7 Enrolment
Completion of all academic registration, immigration compliance, and attendance requirements as determined by Aston University.

3. General Eligibility Requirements
3.1 Applicants must be Articulating Students under the approved Articulation Agreement.

3.2 Award of the Scholarship remains conditional upon formal confirmation from Xi'an Jiaotong University that the student has successfully completed the required stage of study in accordance with the Articulation Agreement.

3.3 Applicants must hold a valid offer for one of the Agreed Articulation Programmes.

3.4 Applicants must satisfy all academic and non-academic conditions stated in their offer letter.

3.5 Applicants must articulate in the immediate intake following completion of the required stage at XJTU. The Scholarship is not deferrable. Students who defer entry will be reassessed under the Terms and Conditions applicable to the new intake.

3.6 Applicants must be classified as Overseas for tuition fee purposes. Fee status will be assessed at the point of enrolment. Where fee status changes at any time prior to or during enrolment, eligibility will be reassessed.

3.7 Applicants must be self-funded at the point of enrolment. Where funding status changes at any time prior to or during enrolment, eligibility will be reassessed and the Scholarship may be withdrawn.

3.8 The Scholarship is available only to students progressing under the formal Articulation Agreement and is not available to applicants from XJTU applying independently outside the articulation route.

3.9 Eligibility for the Scholarship does not constitute a contractual entitlement. The Scholarship remains subject to verification, institutional approval processes, and compliance with University regulations.

3.10 Aston University reserves the right to verify articulation eligibility, academic completion, fee status and funding status directly with Xi'an Jiaotong University or relevant authorities.

4. Scholarship Structure
4.1 The Scholarship provides a fixed tuition fee discount of £5,000.

4.2 The Scholarship is calculated from the gross published international tuition fee applicable for the academic year of enrolment.

4.3 The Scholarship applies to one academic year of study at Aston University only.

4.4 The Scholarship value will be deducted from tuition fees only and will not reduce or replace the Programme Deposit payable.

4.5 The Scholarship has no cash value and cannot be exchanged, transferred, or offset against accommodation, living expenses, immigration costs, repeat study, additional modules, or placement or study abroad years.

4.6 Awarding this Scholarship does not create entitlement to any continuation award beyond the defined articulation year.

5. Scholarship Availability, Confirmation, and Activation

5.1 Offer Stage

Where eligibility is confirmed, the Scholarship may be referenced within the offer letter as part of the articulation arrangement. Inclusion in an offer letter does not constitute application of the award to the tuition fee account and does not create unconditional entitlement.

5.2 Deposit Deadline and Trigger

Payment of the required Programme Deposit in full by the deadline specified in the offer letter is the formal trigger for scholarship confirmation.

5.3 The Scholarship will not be applied to the student record unless and until the deposit has been received in full.

5.4 Failure to meet the deposit deadline may result in withdrawal of the Scholarship.

5.5 Activation on Enrolment

The Scholarship becomes active only upon successful Enrolment at Aston University.

5.6 Where a student withdraws prior to enrolment, fails to obtain a visa, fails credibility or immigration compliance requirements, or does not complete enrolment, the Scholarship will lapse automatically.

5.7 Administrative Accuracy and Audit

Where a Scholarship has been applied in error, including due to administrative or system error, Aston University reserves the right to amend or withdraw the award, including after enrolment. Application in error does not create entitlement.

5.8 Aston University reserves the right to audit articulation eligibility, fee status, funding status and enrolment records at any stage. Where discrepancies are identified, the Scholarship may be amended or withdrawn.

6. Combination and Exclusivity

6.1 A student may normally hold only one Aston University scholarship per programme of study.

6.2 The Scholarship cannot be combined with any other Aston University scholarship, bursary, tuition fee discount, partnership award, or financial incentive unless explicitly confirmed in writing by Aston University.

6.3 Where awards are calculated using different methodologies, Aston University will determine which single award represents the higher value. Only one award will apply.

6.4 Where tuition fees become wholly or partially funded by an employer, government, organisation, or third party at any stage prior to or during enrolment, the Scholarship will normally be withdrawn.

7. Receiving and Retaining the Scholarship

7.1 The Scholarship will be applied only after the Programme Deposit has been paid and the student has successfully enrolled.

7.2 Students must remain fully enrolled and in attendance.

7.3 Students must comply with all University regulations and UK immigration requirements.

7.4 If a student's fee status changes from Overseas to Home at any stage prior to or during enrolment, the Scholarship will be withdrawn.

7.5 The Scholarship is strictly linked to the Agreed Articulation Programmes as defined for the intake cohort. Any transfer outside the approved articulation mapping will result in automatic withdrawal of the Scholarship.

7.6 Where a student withdraws after enrolment, the tuition fee discount may be recalculated proportionately in accordance with the University's Tuition Fees Charging Policy.

7.7 Students repeating modules are not eligible in respect of repeated study.

7.8 Where a student suspends studies, eligibility will be reassessed in line with University policy.

8. Appeals and Final Decision

8.1 Decisions are made in accordance with these Terms and Conditions and internal procedures. The University's decision is final.

8.2 Appeals may be submitted only on the grounds of procedural error.

8.3 Appeals will not be considered on the basis of academic judgement, articulation verification, fee status assessment, funding changes, immigration outcomes, or personal circumstances.

8.4 The University is not required to disclose internal assessments, deliberations, or verification processes.

8.5 The University will not enter into further correspondence once the appeals process has concluded.

9. Interpretation, Precedence, and Governing Law

9.1 In the event of any inconsistency between these Terms and Conditions and any other University publication, webpage, correspondence, or third-party communication, these Terms and Conditions shall take precedence.

9.2 No representation made by an agent, representative, or third party shall be binding unless confirmed in writing by Aston University.

9.3 Any discretion exercised by the University does not create precedent or entitlement for other applicants or future intakes.

9.4 These Terms and Conditions are governed by and construed in accordance with the laws of England and Wales.

Terms & Conditions Validity

These Terms and Conditions apply solely to the intake specified above. Aston University reserves the right to amend, suspend, vary, or withdraw the Scholarship for future intakes.
