Purpose and Scope

This document outlines the eligibility criteria, assessment basis, award structure, allocation principles, and conditions for students articulating from approved Symbiosis International University (India) dual degree programmes to Aston University, Birmingham campus, for the September 2026 intake.

The Scholarship applies only to students enrolled on the formally agreed dual degree programmes delivered under the Aston University – Symbiosis International University Articulation Agreement, as published by Symbiosis International University.

The Symbiosis Articulation Scholarship is automatic, merit-based, subject to a capped allocation, and offered as a tuition fee discount for the first year of study at Aston University.

Students complete their final award with Aston University. The Scholarship is assessed on academic performance achieved at Symbiosis prior to articulation.

These Terms and Conditions apply to the September 2026 intake only. Aston University reserves the right to amend, suspend, vary, or withdraw the Scholarship for future intakes. No precedent is created for subsequent academic years.

Definitions

Articulation Agreement

The formal academic agreement between Aston University and Symbiosis International University (India) defining approved dual degree progression routes.

Overseas

A student classified as Overseas for tuition fee purposes under Aston University's fee status assessment regulations.

Self-funded

A student whose tuition fees are not wholly or partially funded or reimbursed by an employer, government, organisation, or third party. Family financial support and personal bank loans are treated as self-funded.

Enrolment

Completion of all registration, immigration, and attendance requirements as determined by Aston University.

Programme Deposit

The tuition fee deposit required to secure an offer of study, as specified in the applicant's offer letter.

1. General Provisions

1.1 Applicants must be classified as Overseas for tuition fee purposes.

1.2 Applicants must articulate directly under the approved Articulation Agreement from one of the formally mapped dual degree programmes.

1.3 Applicants must hold a valid offer for a full-time undergraduate or postgraduate programme delivered on campus at Aston University, Birmingham, commencing in September 2026.

1.4 The Scholarship remains conditional upon the applicant maintaining a valid offer of admission. If the offer is withdrawn, amended, or conditions are not met, scholarship eligibility will be reassessed or withdrawn.

1.5 Applicants must meet all academic and non-academic conditions stated in their offer letter.

1.6 Applicants must be self-funded. Students whose tuition fees are wholly or partially funded or reimbursed by an employer, government, organisation, or third party are not eligible.

1.7 Applicants must articulate in the immediate subsequent intake following completion of the Symbiosis stage. The Scholarship cannot be deferred. Applicants who defer will be subject to the scholarship provisions and Terms and Conditions applicable to their new year of entry.

1.8 The Scholarship is available only to students based at Symbiosis International University, India. Students studying at Symbiosis Dubai or any other campus are not eligible.

1.9 Meeting the eligibility criteria does not create an unconditional entitlement to the Scholarship. The Scholarship is awarded only once academic verification, deposit payment, and enrolment requirements have been satisfied.

2. Scholarship Basis and Academic Criteria

2.1 Automatic Merit-Based Award

The Scholarship is an automatic, non-competitive, merit-based award. No separate scholarship application is required.

2.2 Academic Assessment

2.2.1 Eligibility is based solely on academic performance achieved in the final stage completed at Symbiosis International University prior to articulation.

2.2.2 Students must have passed all modules at first attempt. Resits are not permitted.

2.2.3 Students with failed modules are not eligible.

2.2.4 Rounding of academic averages is not permitted.

2.2.5 Assessment is based only on official academic transcripts available at the point of offer.

2.2.6 Amendments to transcripts after the offer stage will not be considered.

2.2.7 UK classification equivalency is determined by Aston University Admissions in accordance with agreed internal mapping. The internal percentage mapping is confidential and not published.

2.2.8 The equivalency framework applicable at the time offers are issued for the September 2026 intake will apply to all applicants for that intake. Changes to equivalency mapping will not be applied retrospectively.

2.2.9 Equivalency decisions are final and not subject to academic re-evaluation.

3. Scholarship Availability, Allocation, and Award

3.1 Scholarship Levels

Scholarship	Tuition Fee Discount	Academic Requirement (UK Equivalent)
Symbiosis Gold Merit Scholarship	20% tuition fee discount	Upper Second Class (2:1) equivalent or above
Symbiosis Silver Merit Scholarship	15% tuition fee discount	Lower Second Class (2:2) equivalent

3.2 The Scholarship is calculated as a percentage of the gross published international tuition fee applicable at the point of enrolment for the September 2026 intake.

3.3 The percentage award is subject to an internal maximum monetary cap. Where the calculated percentage exceeds the internal cap, the lower value will apply.

3.4 The Scholarship applies to the first year of study at Aston University only.

3.5 The Scholarship has no cash value and cannot be exchanged, transferred, or offset against non-tuition charges.

3.6 The Scholarship does not apply to deposits, accommodation, living expenses, immigration costs, repeat study, additional modules, or placement / study abroad years unless confirmed in writing.

3.7 The Scholarship is subject to a capped allocation determined by Aston University.

3.8 Where the number of eligible students exceeds the available allocation, Aston University reserves the right, at its sole discretion, to apply an internal ranking process based on academic performance.

3.9 The University is not required to disclose ranking positions, thresholds, or comparative cohort performance.

3.10 The University reserves the right not to award all available scholarships.

3.11 Scholarship Offer at Offer Stage

Where an applicant is assessed as meeting the academic criteria, the Scholarship may be included in the offer letter as an incentive to convert.

Inclusion in an offer letter does not constitute application of the award to the tuition fee account and does not create unconditional entitlement.

3.12 Deposit Trigger

Payment of the required Programme Deposit is the trigger for scholarship confirmation.

The Scholarship will not be applied to the student record unless and until the deposit has been received.

3.13 Activation on Enrolment

The Scholarship becomes active only upon successful Enrolment at Aston University.

3.14 Administrative Application

Where a Scholarship has been applied in error, including due to administrative or system error, Aston University reserves the right to amend or withdraw the award, including after enrolment. Application in error does not create entitlement.

Where an applicant withdraws prior to enrolment, the Scholarship offer will lapse automatically.

4. Awarding the Scholarship

4.1 The Scholarship is awarded as a tuition fee discount only.

4.2 A student may normally hold only one Aston University scholarship per programme of study.

4.3 The Scholarship cannot be combined with any other Aston University scholarship, bursary, tuition fee discount, or financial incentive.

4.4 Where awards are calculated using different methodologies, Aston University will determine which award represents the higher value.

4.5 The Scholarship is not transferable to another applicant, programme, intake, academic year, or institution.

4.6 Scholarships are valid only for the September 2026 intake.

5. Receiving and Retaining the Scholarship

5.1 The Scholarship will be applied only after the Programme Deposit has been paid and the student has successfully enrolled.

5.2 Students must remain fully enrolled and in attendance.

5.3 Students must comply with all Aston University regulations and applicable UK immigration requirements.

5.4 If a student's fee status changes from Overseas to Home, the Scholarship will be withdrawn.

5.5 Where a student transfers to a programme outside the approved articulation mapping, the Scholarship will be withdrawn.

5.6 Students who withdraw part-way through an academic year may have the tuition fee discount removed.

5.7 Students repeating modules are not eligible in respect of repeated study.

5.8 Where a student suspends studies, eligibility will be reassessed in line with the University's Tuition Fees Charging Policy.

6. Appeals and Final Decision

6.1 Decisions are made in accordance with these Terms and Conditions and internal procedures. The University's decision is final.

6.2 Appeals may only be made on the grounds of procedural error.

6.3 Appeals will not be considered on the basis of academic judgement, equivalency determination, recalculation of averages, transcript interpretation, ranking outcome, personal circumstances, or comparison with other applicants.

6.4 The University is not required to disclose internal assessments, ranking processes, or deliberative materials.

6.5 The University will not enter into further correspondence once the appeals process has concluded.

7. Interpretation, Precedence, and Governing Law

7.1 In the event of any inconsistency between these Terms and Conditions and any other University publication, webpage, correspondence, or third-party communication, these Terms and Conditions shall take precedence.

7.2 No representation made by an agent, representative, or third party shall be binding unless confirmed in writing by Aston University.

7.3 Any discretion exercised by the University does not create precedent or entitlement for other applicants.

7.4 These Terms and Conditions are governed by and construed in accordance with the laws of England and Wales.

Terms & Conditions Validity

2026/27 Academic Year (September 2026 intake only)
