Purpose and Scope

These Terms and Conditions govern the NEFU Articulation Scholarship available to eligible students progressing from **Northeast Forestry University** to **Aston University**, Birmingham campus, under the approved 3+1 Dual Degree Articulation Agreement.

The Scholarship applies exclusively to students completing three (3) years at Northeast Forestry University and articulating to the final year of:

- BSc (Hons) Construction Project Management

The Scholarship is automatic, fixed-value, non-competitive, and applies only to the defined intake stated above. No precedent is created for future academic years.

Definitions

For the purposes of these Terms and Conditions:

Articulation Agreement

The formally approved academic progression agreement between **Northeast Forestry University** and **Aston University** governing the 3+1 Dual Degree structure and approved programme mapping.

Overseas

A student classified as Overseas for tuition fee purposes under Aston University's fee status assessment regulations. Only students classified as Overseas are eligible for this Scholarship.

Self-funded

A student whose tuition fees are not wholly or partially funded, sponsored, reimbursed, or otherwise supported by:

- An employer
- A government body
- A scholarship agency
- A commercial sponsor
- Any third-party organisation

Family financial support and personal bank loans are treated as self-funded.

Students who are sponsored, either partially or fully, at any stage prior to or during enrolment are not eligible for this Scholarship.

Programme Deposit

The tuition fee deposit required to secure an offer of study, as specified in the applicant's offer letter.

Enrolment

Completion of all academic registration, immigration compliance, and attendance requirements as determined by Aston University.

1. General Provisions

1.1 Applicants must be classified as Overseas for tuition fee purposes.

1.2 Applicants must articulate directly under the approved Articulation Agreement from Northeast Forestry University.

1.3 Applicants must hold a valid offer for the approved mapped programme specified in the Purpose and Scope section.

1.4 Applicants must satisfy all academic and non-academic conditions stated in their offer letter.

1.5 Applicants must be self-funded at the point of enrolment.

1.6 Applicants must articulate in the immediate intake following completion of the NEFU stage. The Scholarship cannot be deferred.

1.7 Meeting the eligibility criteria does not create unconditional entitlement. Eligibility is confirmed only once all verification, deposit, and enrolment conditions have been satisfied.

1.8 Aston University reserves the right to verify articulation status directly with Northeast Forestry University. Provision of inaccurate or misleading information may result in withdrawal of the Scholarship.

2. Scholarship Structure

2.1 The Scholarship provides a fixed tuition fee discount of £5,000.

2.2 The Scholarship is calculated from the gross published international tuition fee applicable for the academic year of enrolment.

2.3 The Scholarship applies to the single academic year completed at Aston University only.

2.4 The Scholarship has no cash value and cannot be exchanged, transferred, or offset against deposits, accommodation, living expenses, immigration costs, repeat study, additional modules, or placement / study abroad years.

2.5 Awarding this Scholarship does not create entitlement to any continuation award beyond the defined articulation year.

3. Scholarship Availability, Confirmation, and Activation

3.1 Offer Stage

Where eligibility is confirmed, the Scholarship may be referenced within the offer letter as part of the articulation arrangement. Inclusion in an offer letter does not constitute application of the award to the tuition fee account and does not create unconditional entitlement.

3.2 Deposit Deadline and Trigger

Payment of the required Programme Deposit in full by the deadline specified in the offer letter is the formal trigger for scholarship confirmation.

Failure to meet the deposit deadline may result in withdrawal of the Scholarship.

The Scholarship will not be applied to the student record unless and until the deposit has been received in full.

3.3 Activation on Enrolment

The Scholarship becomes active only upon successful Enrolment at Aston University.

3.4 Immigration and Compliance

Where a student fails to obtain a visa, fails credibility or immigration compliance requirements, or does not complete enrolment, the Scholarship will lapse automatically.

3.5 Administrative Accuracy

Where a Scholarship has been applied in error, including due to administrative or system error, Aston University reserves the right to amend or withdraw the award, including after enrolment. Application in error does not create entitlement.

3.6 Where a student withdraws prior to enrolment, the Scholarship offer lapses automatically.

4. Cohort Governance and Intake Stability

4.1 The programme mapping under the Articulation Agreement is fixed for each defined intake cohort.

4.2 Any amendments to progression routes, mapping arrangements, or programme structures will apply only to future intakes and will not apply retrospectively.

4.3 All students within the same intake cohort are subject to identical scholarship conditions.

4.4 Once a student has received scholarship confirmation for a defined intake, the scholarship value and structure applicable to that intake will not be altered for that

student, except in cases of ineligibility, administrative error, breach of regulations, or change in fee status.

4.5 Changes to tuition fee levels during the intake cycle will not alter the fixed £5,000 award value.

5. Combination and Exclusivity

5.1 A student may normally hold only one Aston University scholarship per programme of study.

5.2 The Scholarship cannot be combined with any other Aston University scholarship, bursary, tuition fee discount, partnership award, or financial incentive unless explicitly confirmed in writing by Aston University.

5.3 Where awards are calculated using different methodologies, Aston University will determine which single award represents the higher value. Only one award will apply.

5.4 Students whose tuition fees become wholly or partially funded by an employer, government, organisation, or third party after offer issuance will have their scholarship eligibility reassessed. The Scholarship may be withdrawn where funding status changes.

6. Receiving and Retaining the Scholarship

6.1 The Scholarship will be applied only after the Programme Deposit has been paid and the student has successfully enrolled.

6.2 Students must remain fully enrolled and in attendance.

6.3 Students must comply with all University regulations and UK immigration requirements.

6.4 If a student's fee status changes from Overseas to Home, the Scholarship will be withdrawn.

6.5 The Scholarship is strictly linked to the approved mapped programme. Any change of programme, including internal transfer, will result in automatic withdrawal unless formally approved in writing by Aston University.

6.6 Where a student withdraws after enrolment, the tuition fee discount may be recalculated proportionately in accordance with the University's Tuition Fees Charging Policy.

6.7 Students repeating modules are not eligible in respect of repeated study.

6.8 Where a student suspends studies, eligibility will be reassessed in line with University policy.

7. Appeals and Final Decision

7.1 Decisions are made in accordance with these Terms and Conditions and internal procedures. The University's decision is final.

7.2 Appeals may be submitted only on the grounds of procedural error.

7.3 Appeals will not be considered on the basis of academic judgement, articulation verification, fee status assessment, funding changes, immigration outcomes, or personal circumstances.

7.4 The University is not required to disclose internal assessments, deliberations, or verification processes.

7.5 The University will not enter into further correspondence once the appeals process has concluded.

8. Interpretation, Precedence, and Governing Law

8.1 In the event of any inconsistency between these Terms and Conditions and any other University publication, webpage, correspondence, or third-party communication, these Terms and Conditions shall take precedence.

8.2 No representation made by an agent, representative, or third party shall be binding unless confirmed in writing by Aston University.

8.3 Any discretion exercised by the University does not create precedent or entitlement for other applicants or future intakes.

8.4 These Terms and Conditions are governed by and construed in accordance with the laws of England and Wales.

Terms & Conditions Validity

2026/27 Academic Year – September 2026 Intake Only

These Terms and Conditions apply solely to the intake specified above. Aston University reserves the right to amend, suspend, vary, or withdraw the Scholarship for future intakes without notice.
