Purpose and scope

These Terms and Conditions set out the eligibility criteria, application process, assessment framework, award conditions, and appeals process for the Sir Adrian Cadbury Chancellor's Scholarship for international students commencing study at Aston University in the **January 2027, April 2027, or September 2027 intake**.

The scholarship honours the legacy of Sir Adrian Cadbury and supports students who demonstrate integrity, social responsibility, and a commitment to making a positive impact through their academic and professional ambitions.

The Sir Adrian Cadbury Chancellor's Scholarship is a competitive, application-based award. Meeting the eligibility criteria and submitting an application does not create any expectation, entitlement, or presumption that a scholarship will be awarded.

Website content is provided for guidance only. In the event of any discrepancy between website content and these Terms and Conditions, these Terms and Conditions shall take precedence.

These Terms and Conditions are correct at the time of publication and may be amended where necessary.

1 SCHOLARSHIP VALUE

1.1 The Sir Adrian Cadbury Chancellor's Scholarship provides a **£10,000 tuition fee reduction**.

1.2 The scholarship is applied as a tuition fee waiver only and has no cash value.

1.3 The award cannot be used for deposits, accommodation, maintenance, or any other costs.

2 ELIGIBLE PROGRAMMES

2.1 The scholarship is available to applicants holding an offer for an eligible full-time undergraduate or postgraduate taught programme delivered on campus at Aston University, commencing in the January 2027, April 2027, or September 2027 intake, unless explicitly excluded below.

2.2 The following postgraduate programmes are excluded from eligibility:

- All MRes programmes SEPTEMBER ONLY
- All MBA programmes ALL INTAKES
- All PhD and research programmes ALL INTAKES
- Overseas Pharmacists Assessment Programme (OSPAP) PgDip SEPTEMBER ONLY
- MSc Physician Associate Practice SEPTEMBER ONLY
- MPH Public Health SEPTEMBER ONLY

2.3 The following undergraduate programmes are excluded from eligibility:

- BSc Nursing Studies (Adult Nursing) SEPTEMBER ONLY
- BSc Nursing Studies (Mental Health) SEPTEMBER ONLY
- MBChB Medicine SEPTEMBER ONLY
- MOptom Optometry SEPTEMBER ONLY
- MPharm Pharmacy SEPTEMBER ONLY
- BSc Healthcare Science (Audiology) SEPTEMBER ONLY

2.3a The exclusions in clauses 2.2 and 2.3 apply to the January 2027, April 2027 and September 2027 intakes alike. Each excluded programme is tagged to show the intakes in which it is delivered: those marked **September only** are not offered in January or April, while those marked **All intakes** remain excluded whenever they are delivered. PhD and research programmes have variable start dates that do not align with taught intakes, and are excluded throughout. The tags are provided for guidance only and do not extend or limit the exclusions set out above. Where an excluded programme is subsequently made available in any 2027 intake, whether or not it is currently delivered in that intake, applicants for that programme will remain ineligible for the Scholarship.

2.4 Aston University reserves the right to amend the list of eligible or excluded programmes where required for regulatory, professional, or strategic reasons.

3 ELIGIBILITY CRITERIA

Applicants must meet all of the following criteria at the point of application:

3.1 Be classified as an international (overseas fee-paying) student for tuition fee purposes.

3.2 Hold an offer for an eligible programme at Aston University for January 2027, April 2027, or September 2027 entry.

3.3 Meet all academic, English language, and non-academic conditions stated in their offer letter by the required deadlines.

3.4 Be self-funded. Applicants whose tuition fees are fully or partially funded by an external sponsor are not eligible.

3.5 Successfully submit a completed scholarship application using the official personal application link issued by Aston University.

3.6 Eligibility is assessed based on the applicant's programme, funding status, and fee classification as recorded at the scholarship application deadline. Subsequent changes to programme choice, funding arrangements, or fee status will not be applied retrospectively.

4 APPLICATION PROCESS AND DEADLINES

4.1 The Sir Adrian Cadbury Chancellor's Scholarship is a competitive, application-based award.

4.2 Eligible applicants will be issued a personal scholarship application link to the email address recorded on their Aston University applicant record after receiving an offer to study.

4.3 It is the applicant's responsibility to:

- ensure their contact details are accurate;
- check junk or spam folders; and
- access and submit the application using the issued link.

Failure to receive or access the application link does not constitute grounds for appeal unless a system error is formally confirmed by Aston University.

4.4 Applications submitted via any other route will not be considered.

4.5 Applicants must submit:

- a completed application form; and
- a written statement of approximately 500 words outlining how they intend to make a positive impact and use their degree to support communities.

Statements of **550 words or more**, or of **450 words or fewer**, will be excluded from assessment.

4.6 An application is deemed submitted only once an automated submission confirmation has been issued. Incomplete, draft, or unconfirmed applications will not be assessed.

4.7 Application deadlines, decision timelines, and application windows will be published on Aston University's website: **aston.ac.uk/international/scholarships**.

4.8 It is the applicant's responsibility to consult the published webpage and ensure submission by the stated deadline. The University is not responsible for missed deadlines resulting from failure to consult published information.

4.9 Where the number of eligible applications exceeds the number of available awards, scholarships will be allocated following a competitive assessment process. The University is not required to award a scholarship to all eligible applicants.

5 AWARD BASIS, EXCLUSIVITY, AND SUPERSESSION

5.1 Due to the high value of the award, the Sir Adrian Cadbury Chancellor's Scholarship cannot be held in conjunction with any other internally or externally managed scholarship, bursary, fee discount, or tuition fee award, unless explicitly confirmed otherwise in writing by Aston University.

5.2 Where an applicant is eligible for, or has been offered, more than one scholarship or tuition fee discount, only one award may be held per programme of study.

The single award of the highest monetary value will normally apply, as determined by Aston University.

Where the Sir Adrian Cadbury Chancellor's Scholarship represents the highest value award, it will supersede all other scholarships or fee discounts.

The University's determination of the applicable award is final.

5.3 Applicants progressing from foundation providers, pre-masters providers, or via formal progression or articulation agreements remain eligible to be considered, subject to meeting all other eligibility requirements.

5.4 Where a progression-, pathway-, or partner-specific scholarship or tuition fee discount exists, the award of the Sir Adrian Cadbury Chancellor's Scholarship, if greater in value, will override and replace any such alternative award if the applicant is successful.

6 RECEIVING AND RETAINING THE SCHOLARSHIP

6.1 The scholarship will be applied to the student's tuition fee account only after:

- the required programme deposit has been paid;
- the appropriate SITS scholarship code has been applied to the student record; and
- the student has successfully enrolled within the required enrolment period.

Where applicable, the scholarship is also conditional upon the student having received a Confirmation of Acceptance for Studies (CAS) and holding a valid Student visa.

6.2 Unless otherwise stated, the scholarship applies to tuition fees only and to the approved academic year of entry. No cash alternative is available.

6.3 Students must remain fully enrolled and in attendance, as defined by Aston University, in order to retain the scholarship.

6.4 Students who withdraw part-way through an academic year will no longer be eligible for the scholarship. Any tuition fee reduction already applied may be withdrawn, and the student will be liable for the full tuition fee for that academic year.

6.5 Students repeating modules, whether with or without attendance, are not eligible to receive the scholarship in respect of the repeated study.

6.6 Where a student suspends their studies and takes a Leave of Absence:

- if the Leave of Absence covers a complete academic year, no tuition fee is charged and no scholarship is payable;
- if taken part-way through an academic year, scholarship eligibility will be assessed in line with Aston University's Tuition Fees Charging Policy and may be adjusted on a pro-rata basis.

6.7 Where sector-wide UKVI processing delays or external visa issues materially affect enrolment, Aston University may, at its sole discretion, review eligibility on a case-by-case basis. Such review does not guarantee continuation of the scholarship and does not establish a precedent.

7 APPEALS AND FINAL DECISION

7.1 Scholarship decisions are made by a University selection panel operating in accordance with internal procedures. No member of staff outside the designated process has authority to vary or overturn a decision.

7.2 Appeals may be made only on the grounds of procedural error, defined as a demonstrable failure by Aston University to follow the published application or assessment process, which must be clearly evidenced and materially relevant to the outcome.

7.3 Appeals will not be considered on the grounds of:

- academic judgement or comparative merit;
- the content, quality, or score of an application;
- disagreement with the outcome of the assessment;
- the exercise of panel discretion;
- the availability, allocation, or exhaustion of scholarship awards; or
- comparisons with other applicants or awards made.

7.4 The University does not provide individual feedback on unsuccessful applications and is not required to disclose scores, rankings, thresholds, assessor comments, or panel deliberations.

7.5 Appeals must be submitted in writing within fourteen (14) calendar days of the tuition fee invoice being raised on the applicant's student record. The invoice date is used solely to calculate the appeal submission window and does not constitute confirmation of scholarship eligibility or award.

7.6 Where no procedural error is identified, the original decision will stand and will not be reconsidered. Failure to submit an appeal within the stated timeframe will be taken as acceptance of the original decision.

7.7 Once the appeals process has concluded, the University will not enter into further correspondence.

8 WITHDRAWAL, AMENDMENTS, AND LIABILITY

8.1 Aston University reserves the right to withdraw the scholarship if information provided by the applicant is found to be false or misleading, or if the student no longer meets the eligibility criteria.

8.2 The University accepts no liability for costs incurred by applicants in connection with the scholarship application process.

8.3 Aston University reserves the right to amend or withdraw the scholarship where required for regulatory, operational, or strategic reasons.

9 · TERMS AND CONDITIONS VALIDITY

These Terms and Conditions apply to the January 2027, April 2027, and September 2027 intakes.

10 · FURTHER INFORMATION AND ENQUIRIES

All enquiries relating to the Sir Adrian Cadbury Chancellor's Scholarship should be directed to Aston University's International Office.
