# Aston Impact and Aston High Achiever Scholarships Terms and Conditions

The Aston Impact Scholarship and the Aston High Achiever Scholarship ("Scholarship") provide a £3,000 discount on tuition fees for eligible postgraduate students.

By accepting the Scholarship, you agree to the following terms and conditions:

1. Eligibility Criteria Successful applicants will receive a £3,000 scholarship if enrolling onto an eligible degree for the first time in the 2026/27 academic year.

1.1 UK Applicants

To be eligible for either of these awards, the applicant should be a UK national.

1.2 Eligible Courses

The scholarship applies to full-time Postgraduate Taught Programmes that are delivered on campus (either at Birmingham or London) and lead to the award of an MSc, MA, MBA, or MEng.

1.3 Ineligible Courses

The Scholarship does not cover Integrated Undergraduate Master's degrees, other undergraduate degrees, part-time degrees, PhDs, Masters by Research or courses delivered at locations outside of the Birmingham and London campuses.

Additionally, these scholarships cannot be applied to: MSc Medicine, MSc Optometry, PgDip Overseas Pharmacists and Physician Associate. Postgraduate Diplomas, Postgraduate Certificates, Masters by Research (MRES), PhDs, DBAs and other research degrees are also excluded.

2. Application Period

The Scholarship is applicable to courses commencing in September 2026, January 2027, and April or May 2027.

3. Self-Financing Requirement

To qualify for the Scholarship, you must be self-financing all your tuition fees.

3.1 Self-Financing Definition

You are considered self-financing if you receive financial support from family or friends or if you are obtaining a postgraduate loan from the UK government.

If you receive full or partial funding from a sponsor, you must notify the University immediately, whether the funding is paid directly to the University or to you as a contribution toward your tuition fees.

A sponsor is an employer or other industry or business sponsor, government, research council, charity or another third-party organisation. You are not self-financing if your fees are being paid by your employer or a third party (other than family and friends) or if you are in receipt of a study grant or scholarship external to the University.

4. Breach of Terms

If you fail to comply with these terms or do not provide accurate information to the University, the Scholarship may be suspended, and the University may recover any previously awarded scholarship.

5. Combination with Other Funding

5.1 A student may only receive one Aston University scholarship per programme studied.

5.2 Where a student is eligible for more than one scholarship/discount the student will be awarded the one of the highest value.

6. Scholarship Details

6.1 Scholarship Amount

The Scholarship provides a discount of £3,000 on the tuition fees for the first year of your eligible postgraduate taught course.

6.2 Duration of Scholarship

The £3,000 discount applies only to the first year of the course. It does not extend to any subsequent years or repeating years as a result of withdrawing from, repeating or suspension of studies.

6.3 Definition of withdrawing from, repeating or suspension of studies

Aston Scholarships will normally only be available to students who have been in attendance, as defined by the University throughout term one and term two and are still in attendance at the start of term three.

Students who withdraw from Aston University part way through an academic year will not be eligible to receive a scholarship in respect of that year. Any Aston Scholarship applied to the student for that academic year will be revoked and the full cost for that period will be recovered.

Students who are repeating their studies are not eligible for scholarships regardless of whether they are repeating with attendance, without attendance, or with partial attendance.

Where a student suspends their studies and takes a Leave of Absence for a complete academic year, no tuition fee is charged and, therefore, the student will not be eligible

to receive a scholarship. Students who suspend their studies part way through an academic year will be eligible to receive a scholarship for the academic terms they have completed in full.

Students who suspend their studies and return from a suspension of studies part way through an academic year will only be eligible to receive a scholarship for the terms they will complete in full.

The amount of scholarship will be approved on a pro rata basis and in line with the Tuition Fee Charging Policy for that academic year.

7. Application and Acceptance

To be considered for the Scholarship, eligible Aston graduates must accept their offer for an eligible postgraduate taught programme and meet any additional requirements as outlined by the admissions team.
